

Help make it Happen!

Build a Future, Buy a Brick

Heart of Georgia Technical College Foundation and Alumni Association invite alumni, businesses, and friends to support the ***Build a Future, Buy a Brick*** Campaign. Don't miss out on this limited opportunity to engrave your name on a brick to be placed in the lobby of Louie Livingston Hall.

By supporting ***Build a Future, Buy a Brick***, you, your family, or a loved-one will be honored with a personally engraved brick to be placed in the lobby accentuating the staircase of Livingston Hall, which is scheduled to open in 2008.

Not only will your donation make a great gift and leave a lasting tribute, it will also help support the Heart of Georgia Technical College Alumni Association. Your support will go to support the HGTC

Alumni Scholarship, the Mary Alice Watson Scholarship, and the general fund, which will provide resources for college-wide projects.

Four-by-eight inch brick pavers are only \$100 each. Space is limited, so please order your bricks today. An order form is enclosed for your convenience.

Each brick ordered qualifies as a charitable donation. The HGTC Foundation is a separate non-profit organization which exists to support Heart of Georgia Technical College.

For additional information, please call the HGTC Office of Institutional Advancement at (478) 274-7627 or you can order online by visiting the Heart of Georgia Technical College website at www.heartofgatech.edu.
